THE MEMORIAL

Golden Spread Electric Cooperative, Inc. (Golden Spread) of Amarillo, Texas, a generation and transmission cooperative owned by 15 Texas and 1 Oklahoma electric distribution cooperatives, founded the Scholarship in 1991 with an initial contribution in memory of James T. Hull, Dwight Hutchinson and Connie Gupton. Continuing contributions by Golden Spread and various individuals provide additional capital for the Scholarship fund.

The Founder intends that the names of other Golden Spread directors who have been faithful stewards for the Golden Spread family be included in those remembered. Formed in memory of individuals who were dedicated to the development and advancement of rural electrification for the benefit of their Member consumers, the Scholarship provides financial assistance for qualified electric cooperative family members seeking a higher education.

ELIGIBILITY

The Scholarship is available to graduating high school students attending a college, university or technical/trade school in Colorado, Kansas, New Mexico, Oklahoma or Texas in the following Fall semester. The student must be a Member of one of the 16 rural electric cooperatives which Golden Spread serves.

The Scholarship is \$2000, payable \$500 for each of four semesters through the sophomore year. Satisfactory scholastic performance and appropriate personal standards must be maintained for continuing eligibility. The deadline to submit an application is March 1st. Selected recipients will be posted by May 15th on the Golden Spread website.

Students must possess the qualities of honor, integrity, thrift, good moral character and a sincere desire to achieve their educational goals. Grades are not the sole criteria in awarding the Scholarship, however, grades may determine the final award if all other things are found equal by the Selection Committee. Students must maintain a 2.5 G.P.A. (or equivalent), be enrolled full-time as defined by the college, university or technical/trade school and maintain appropriate personal standards for continuing eligibility.
